## TIPS FOR SAFE AND EFFICIENT DROP-OFF & PICK-UP:

### GENERAL SAFETY TIPS

- Drive slowly while on our campus.
- Watch for children and pedestrians at all times.
- Always follow the traffic flow.
- Please avoid using or blocking our neighbor's driveway.
- Wear a mask while you drop-off or pick-up your child.
- Parents may assist children out of the vehicle, but should not leave vehicles unattended in the drop-off lanes.
- Please consider making a right turn when exiting our campus.

### PATRIOT CARE

- Please use the parking to the east of our "lunch patio" for drop-off/pick-up.
- K-6th grade students must be signed into Patriot Care prior to 7:30 AM.
- K-6th grade students still on campus after 2:45 PM will be checked into Patriot Care by their teacher and must be signed out by a guardian.

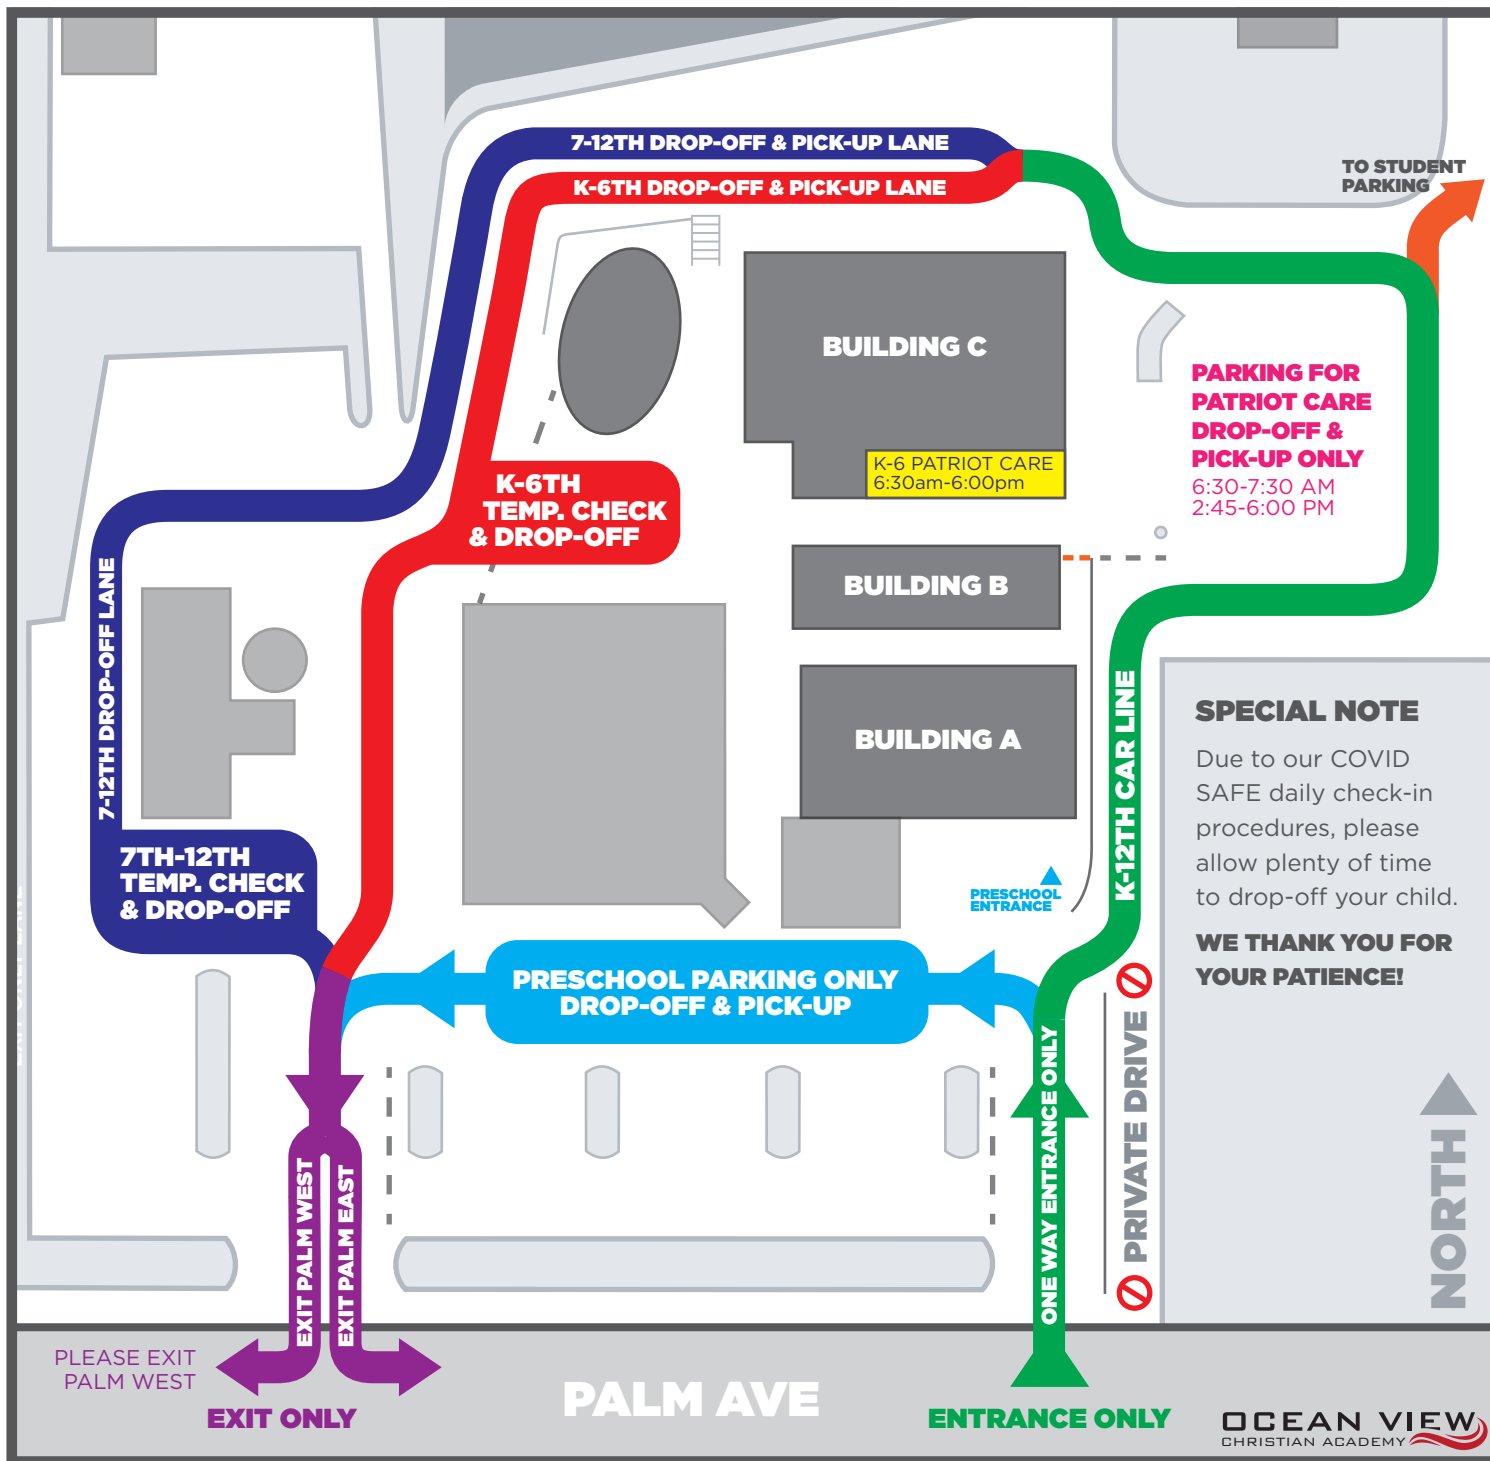

### PRESCHOOL

- Preschool families should use only the Southeast entrance gate (front parking lot).
